

# Colavita Balsamic Glace

For years, professional chefs have made a balsamic vinegar reduction to substitute for the very expensive aged traditional Balsamic Vinegar often called for in recipes. Today's chefs will love Colavita's Balsamic Glace because it saves time, is ready to use as a garnish, and is perfect for marinades, dressings and grilling. The consistency of this concentrated balsamic sauce is ideal for decorating finished plates and its sweet flavor also enhances roasted vegetables and fresh fruits such as strawberries.
